ALUMNI GET-TOGETHER 2022

Alumni Get-together of silver jubilee batch (1997 and 1998 graduate) along with their seniors was organized at R.I.T., Rajaramnagar on Saturday, 24th December, 2022. The Mechanical, Automobile, Civil, Electronics, and MBA departments were represented by about 50 former students who graduated 25 years ago. The programme began with a video clip created by the alumni cell called "Glorious Moments in RIT" that featured a gallery of images of graduates dating all the way back to the 1987 batch. Vice-President Engr. Rajesh Patil and Organization President Engr. Nazeer Sheikh extended a warm welcome to all. Dr. Samir Kumbhar, Chief Alumni Officer of the Institute has presented the Institute's success and the alumni's involvement in it. The Director, Dr. Mrs. Sushma Kulkarni addressed the gathering on the development of the Institute in last 39 years. Prof. Shamrao Patil, the member of BoG and the Chairman of Rajarambapu Cooperative Bank has guided the former students.

ALUMNI GET-TOGETHER 2022

Many alumni expressed about the role of Institute in transformations in their life, self-confidence, self-reliance and personality development. They also promised to cooperate spontaneously for the development of the Institute in the future.

Prof. Dr. L. M. Jugulkar, Dean, Student Development proposed the vote of thanks. The program was anchored by Dr. Arun Thorat, Assistant Professor, Electrical engineering department. After lunch, all the alumni visited their respective departments. They discussed about the development of the department with the respective heads of departments and the faculty members. The alumni made this day a wonderful and memorable with silver jubilee get-together of 1997 and 1998 pass-out batch along with seniors. Secretary of Alumni Association. Dr. Y. M. Patil and members of the Alumni Committee Prof. Sanjay Satpute, Dr. Mahesh Kumbhar, Prof. M. M. Mirza, Dr. Arun Thorat, Prof. Shrikant Karanjkar, Prof. Dadaso Mane, Prof. Ajit Mali had taken efforts in making this alumni get-together a grand success at RIT, Rajaramnagar.

RIT ALUMNI MEET IN SUNNYVALE, CALIFORNIA

On Sunday, October 16th, 2022, in Sunnyvale, California, a short alumni-get-together was held in the presence of Hon. Director Dr. Mrs. Sushma Kulkarni. The alumni from various disciplines who graduated in recent years were gathered, along with a few from the 90s. Mr. Sachin Patil, a graduate of the Mechanical engineering department has hosted the gathering. Dr. Mrs. Sushma Kulkarni, discussed recent developments and accomplishments of the RIT. All of the alumni showed their gratitude towards the Institute while sharing their enthusiasm and memories of the college days and the stories of the workplace. The success stories were shared by Debashish Rey (1992 graduate), director of Enterprise Architecture, Arpit Jain (2002 graduate), leader in marketing analytics and digital marketing at VMware, Dnyanesh Patil (2003 graduate), principal cloud architect at Arlo Technologies, and Sachin Patil (2004 graduate), software engineer at Amazon.

Organizing Session on
**AWS Cloud and DevOps Opportunities in IT industries and
How to prepare yourself for Industry**

by
Er. Amit Tidke
(Alumnus 2015 Batch)
Cloud and DevOps Lead, at Siemens India, Pune
Sunday, 23-10-2022
Time : 2:00 PM

Mr. Amit S. Tidke working as Cloud and DevOps lead at Siemens India Ltd., Pune had discussed with students and the faculty the basic of DevOps and AWS and the future of this technology in IT industries. DevOps is where the software development and operations meet to ensure continuous integration (CI) and delivery (CD).

DevOps (development and operations) is an enterprise software development phrase used to mean a type of agile relationship between development and IT operations. The goal of DevOps is to change and improve the relationship by advocating better communication and collaboration between these two business units. DevOps is not based on stringent methodologies and processes: it is based on professional principles that help business units collaborate inside the enterprise and break down the traditional silos. The guiding principles of DevOps include culture, measurement, automation and sharing.

Discussed Top 10 cloud platforms: AWS, Microsoft Azure, Google App Engine, Sales Force. Also, what are the opportunities in IT industry as a Cloud Engineer.
