### **About Audio Visual Book:**

This ground-breaking audio-video book celebrates the inspirational fusion of intelligence through captivating audio-video elements, marking a pioneering achievement on a global scale. The show takes viewers on a journey from the origins of the Earth to the harmonious vibrations of "Aum", encompassing music, dance, uplifting songs, motivational speeches, stories, quotes, and visual messages that inspire. It showcases the beauty of sports, highlights the masterpieces of renowned artists, and presents diverse dance forms from every corner of the globe. The visual messages emphasize the importance of conserving our planet and its resources. The author's insightful commentary explores life principles and subjects that serve as curriculum material in schools, colleges, and universities, drawing wisdom from the school of philosophy.

The book is all about the display of emotions. E-into motion is Emotions. Our mind is the energy in motion called emotions. We are the mind creation of Intelligence or call Creator or God. The world is a mass of energy and all is based on emotions. Low and High. The Author of I Am I - Shailaja Patil defines her virgin philosophy I Am I, through all emotions of the world in the form of a visual expression, a movie of motivational display of emotions through the help of all souls who have been born as artists, singers, musicians, actors, writers, film makers. The social media can be used as an elixir and so has been by Shailaja Patil.

### **Author Talks:**
