NOTICE

This is to inform all students that the institute encourages participation in online certification courses offered by NPTEL (National Programme on Technology Enhanced Learning) as part of continuous learning and skill enhancement.

As a motivation and support for self-learning, the institute will reimburse the course fees for one NPTEL course per student for the academic year 2024-25, subject to the following condition:

- The student must successfully complete the NPTEL course and obtain the certificate of completion.

Interested students are advised to register for NPTEL courses and, upon completion, submit the NPTEL certificate and payment receipt to the respective departmental coordinator for reimbursement processing.

The Head of the Department (HoD) is requested to forward the applications to the Hon. Director for final approval.
