Department of Electronics and Telecommunication organized national conference on "Electronics for Rural Development" on 7th and 8th June, 2013 Hon. Vivek Sawant, Director MKCL, Pune addressing during plenary session in conference.

Alumni Profile

Rajendra Ingale
Associate Vice President -
Business Development,
Adani Enterprises Ltd.

Education:-
B.E(Mechanical Engineering)
MBA(Finance)

After completion of graduation in 1992 from KES's College of Engineering (now RIT) as Mechanical Engineer, I have done MBA (Finance) immediately. It was the post graduation course which put me in completely different role of Finance executive. Over the next 10 years I closely worked with Director (Finance) of Ispat Industries Ltd and then Director (Finance) Reliance Energy Ltd. as an Executive Assistant. Working with project finance team of one of the largest steel and power producer in the country gave me great insight in project financing and project management function.

Joined Adani Group as Executive Assistant to, promoter and Managing Director of Adani Group, Mr. Rajesh Adani. Since last 9 years, I am associated with Adani Group and had an opportunity to feel and experience the zeal, passion and never say die attitude of Adani. It was a great learning experience and helped me to explore new areas.

I am currently working as Associate Vice President, heading Business Development and Contract Administration for Domestic mining business of the Adani group.

The Adani Group is promoted by Shri Gautam Adani, a first generation entrepreneur and one of the top ten richest Indian.

I always believe those 4 years at RIT and hostel life made me what I am and believe me, if you have positive attitude, ready to put in hard work and willing to learn new things then nothing is impossible.

Student Article

The Wooden Bowl

A frail old man went to live with his son, daughter-in-law, and four-year old grandson. The old man's hands trembled, his eyesight was blurred, and his step faltered. The family ate together at the table. But the elderly grandfather's shaky hands and failing sight made eating difficult. Peas rolled off his spoon onto the floor. When he grasped the glass, milk spilled on the tablecloth.

The son and daughter-in-law became irritated with the mess. "We must do something for father," said the son. "I've had enough of his spilled milk, noisy eating, and food on the floor." So the husband and wife set a small table in the corner. There, Grandfather ate alone while the rest of the family enjoyed dinner. Since Grandfather had broken a dish or two, his food was served in a wooden bowl! When the family glanced in Grandfather's direction, sometime he had a tear in his eye as he sat alone. Still, the only words the couple had for him were sharp admonitions when he dropped a fork or spilled food.

The four-year-old watched it all in silence.

One evening before supper, the father noticed his son playing with wood scraps on the floor. He asked the child sweetly, "What are you making?" Just as sweetly, the boy responded, "Oh, I am making a little bowl for you and Mama to eat your food in when I grow up." The four-year-old smiled and went back to work .

The words so struck the parents so that they were speechless. Then tears started to stream down their cheeks. Though no word was spoken, both knew what must be done.

That evening the husband took Grandfather's hand and gently led him back to the family table. For the remainder of his days he ate every meal with the family. And for some reason, neither husband nor wife seemed to care any longer when a fork was dropped, milk spilled, or the tablecloth soiled.

Programs Organized

Department of Management Studies launched
“Taxation & Entrepreneurship Development”
 certified courses in collaboration with
 Indian Society for Training & Development on 16th August 2013.

One Week Faculty Development Program on
“Advances in I. C. Engine & Emission Control Technologies”
 organized by Department of Automobile Engineering,
 RIT, Sakharale, during 8th -12th Aug. 2013 under TEQIP.

Department of Mechanical Engineering
 organized a two days event
“Trailblazer 2k13”
 on 4th and 5th October 2013.

Department of Electrical Engineering at RIT
 conducted a state level event
“Enthuse 2K13”
 on 20th and 21st September 2013 under
 Lead College Schemes in association with EESA

TRAINING & PLACEMENT

Felicitation of delegates from Persistent Systems during Campus recruitment Drive in R.I.T. Campus.

Seminar on Opportunities in Indian Army, Indian Navy & Indian Airforce by Capt. V. S. Nilkanth

Training Program for Final Year Students during the month of July 2013.

Staff Achievement

Mr. S.S. Patil, HOD-CSE Department won 1st Prize as Distinguished Facilitator at Infosys, Pune under Inspire Faculty contest on 14th August 2013.

SPORTS

Runner up team in table tennis tournament held by Shivaji University, Kolhapur.

Winner team, Sangli Zonal Volleyball tournament under Shivaji University, Kolhapur
