JULY-SEPTEMBER 2018

Alumni Get-together August 2018

Alumni get together of silver jubilee batch of 1993 along with their seniors was organized at R.I.T., Rajaramnagar on 11th August 2018. All the alumni gathered in the video conference hall. Hon. R.D. Sawant, Secretary Kasegaon Education Society and Hon. Shamrao Anna, Chairman, Rajrambapu Sahakari Bank Ltd. Peth graced this gathering. Get-together started with the welcome of all alumni and faculty members. To take the alumni members down the memory lane, a video clip ('Glorious Moments in RIT') made by alumni cell having a collection of the photos of the alumni right from 1987 batch was shown. All the alumni enjoyed this video clip. Then the guests were then welcomed by presenting them a sapling by the hands of Mr. Nazir Shaikh, Chairman, RIT Alumni Association. The guests inaugurated the function by 'watering the plant'.

Inauguration was followed by address of Mr. Nazir Shaikh. He highlighted the growth of RIT Alumni Association and how it has played a vital role in the development of the institute. He also discussed how the alumni of RIT have been successfully placed at important and high positions in the society. He appealed the alumni present for the get-together to voluntarily contribute for the further development of the institute. He also discussed about setting up of foundry for students as a startup by Alumni in RIT campus.

Dr. Sushma Kulkarni, Director, RIT, then addressed the gathering. She highlighted the development of the institute since its inception in 1983. She also added the recent achievements of RIT in different rankings by various agencies and magazines. She then discussed about the new curriculum which has been implemented in RIT from the current academic year.

Alumni Get-together August 2018

Choice Based Curriculum System (CBCS) as it is called as a new initiative by RIT wherein a student can choose courses of his/her choice right from the first year of his/her studies in the institute. This gives the student flexibility to select courses according to his/her choice and also helps the student to set a carrier path. She also explained how the research culture at RIT has developed over the years and now RIT has a number of patents which have been filed has increased over the past few years.

She also added that how the gender ratio of students applying to take admission in RIT has changed over the years. She shared that at present about 35-40 % of the students in RIT are girl students. She discussed about Alumni Gratitude Fund and how the funds collected will be used at various levels. At the end of her address, Dr. Mrs. Sushma Kulkarni appealed to the alumni to help the institute in any way possible to further raise the brand image of RIT in the society. She also thanked various alumni who have donated to the college till date.

Now the forum was kept open for alumni members to share their views. The first alumnus to speak was Dr. Sanjay Vashishta, CEO First-Green Consulting Pvt. Ltd., Gurgaon, New Delhi, a consultancy firm in solar power. He assured his help to setup alumni chapter in New Delhi and also for if required for sanctions of government sponsored projects if required.

Next alumnus to speak was Mr. Rajesh Shrivastav, Asst. Vice President, and Reliance Industries Indore. He shared that he adopted the changes very fastly & become excelled in his life. He showed his concern towards environment by sharing that its is important to convert heavy vehicles to light to save fuel or convert to electric vehicles.

After this, Sharad Kumar Mishra spoke about his journey. He shared that he learnt a lot of life long learning skills such as leadership & other skills from RIT.

This talk was followed by Mr Rajendra Doiphode, TPO, Govt Polytechnic Kolhapur. He assured that he would contribute in the form of guest lectures at RIT.

Next to speak was Chandrashekar Mane, Senior Managing Consultant, IBM. He spoke about industrial revolution 4.0 and the need to develop the qualities in students to be successful in this IR4. He said that knowledge of block chain & AI is essential now-a-days.

This was followed by Mr. Rakesh Saraf, Regional Customer Service Manager – Marketing at Ashok Leyland, Chadigarh. He shared memories his college days. He appreciated the learnings he got from the faculty members and how it helped him.

The last alumnus to share her views was Mrs. Mrunalini Jadhav, HoD, Civil Engg. Venutia Chavan Polytechnic, Pune. She shared her experience as one of the very few girl students at RIT in those years. She shared how all her batch mates and faculty members helped her. She also shared how she is in contact with Director, RIT for various reasons.

After the alumni members expressed their views, it was the turn of Hon. Shamrao Patil Anna to express his thoughts. He spoke about the hardships faced at the beginning of institute establishment in 1983. He also shared how the students had to face numerous problems to complete their graduation.

Alumni Get-together August 2018

He spoke how faculty members from WCE, Sangli used to visit RIT to conduct lectures. At the end of his address he appealed to all the alumni members gathered to continue this kind of support they provide in future also.

The vote of thanks was proposed by Dr. S. M. Sawant, Dean, Students' Development, RIT. He shared the overall working of the alumni association. He also discussed about various student clubs started at RIT. He appealed to alumni to start various chapters at cities throughout the country. Dr. Vasistha has taken initiative to start alumni chapter at Delhi. He thanked all the alumni members, faculty members, non-teaching staff, hostel staff, administrative staff and all other members who were directly or indirectly involved for the success of this event.

The inaugural function was anchored by Prof. Shirish Subhash Mane, Assistant Professor, Automobile Engineering Department, RIT.

After the end of inaugural function all the alumni members, faculty and guests gathered for a group photo at the entrance of the main building.

Later on all the alumni members visited their respective departments. They discussed about the development of the department with the respective Heads of departments and the faculty members. The alumni members then dispersed off marking the end of a wonderful and memorable silver jubilee get-together function of the 1993 pass-out batch along with all the previous pass-out batches right from the first batch of 1987.

Dr. S. S. Gawade alumni chief officer along with his committee members Prof. Y M Patil, Prof. Mrs. Shailaja Patil, Prof. Dadaso Mane, Prof. Bamane, Prof. Shirish Mane, Prof. Shrikant Karanjakar, Prof. Ajit Mali, Prof. P V Gunjvate, Prof. Swapnil Patil had taken lot of effort for making Alumni successful alumni get-together 2018 a grand success. first of its kind at RIT, Rajaramnagar, Sakharale./

Distinguished Alumnus

Name:- Mr. Ashish Raina

Lead Administrator, Wipro Infotech

Mobile no.:- 9810497793

Branch: Electronics Engineering

Email Id: - ashishrattan@rediffmail.com

Job Profile:

- A result-driven technocrat with 14 Plus years' experience in System Administration & service support in the IT industry.
- Strong abilities in spearheading IT efforts with an objective to maintain trouble-free operations.
- Distinction of leading teams for setting up Infrastructures and establishing Data Centers.
- Possess significant understanding about a wide spectrum of technical aspects and tools.
- International project working experience with the UK & US based clients.
- Was deputed on an onsite project assignment in Belfast, United Kingdom for a new business IT infra setup, which included server installation, designing Active directory solution, Implementation of Microsoft exchanges servers.
- Responsible for design & implementation of windows AD, implementation of Microsoft exchange for new clients.
- Restructuring of technology infrastructure for better delivery to IT operations.
- Providing consultation on implementation of IT infrastructure.
- Conducting datacenter audit & security risk assessment.
- Handled the design and migration of active directory projects from 2003 to 2012.
- Have in depth functional knowledge of installation, configuration, and Performance optimization of Windows 2008/2012 of multiple domains structures.
- Currently working with **Wipro as Lead Administrator** and responsible for providing Level 3 Support on technical issues on windows technologies.
- Responsible for handling the team of 20 data center engineers and responsible for the team escalation of data center operations.
- Responsible for BCP and disaster recovery activities.
- Responsible to guide team in technical issues and conduct training session for team members.
- Responsible for providing root cause analysis for the P1 and P2 issues.
- Responsible for providing coaching and feedback to team members and arrange skill enhancement training for team members.

Work Experience:

- Aug' 2004 -Oct' 2006 with HCL Infinet - Desktop Support Engineer.
- Oct' 2006- June 2013 with HCL Technologies Ltd- Lead Engineer.
- June' 2013- March'2014 with IGATE Global Solutions Ltd- Lead Engineer IMS.
- Since March'2014 with Wipro Infotech –Lead Administrator, Wintel.

Alumni Get-together August 2018

Department of Civil Engineering

Department report of 'RIT alumni get-together 2018'

RIT Alumni get-together of 1986-1993 batch was organized by RIT Alumni cell and R.I.T. Alumni Association, Rajaramnagar on Saturday, 11th Aug 2018. In Video Conference Hall in view of collecting feedback and support of alumni for various activities in institutional development such as field training, sponsored project industrial visit etc. The registration for Alumni get together was started at 9:30 a.m. The alumni get-together function was inaugurated in presence of Hon. S.D. Patil, Chairman, Rajarambapu Bank Ltd, Peth, Hon Dr. S.S. Kulkarni, Director, RIT Rajaramnagar, Dr. S. M. Sawant Dean, student development, Er. Nazir Shaikh, Chairman RIT Alumni association and Er. Rajesh Patil, Vice Chairman RIT Alumni association. More than 60 alumni were present for the get together.

Er. Nazir Shaikh welcomed all alumni and the chief guest of function. He also gave information about RIT alumni association and their future plans. Dr. S. S. Kulkarni, Director RIT highlighted the achievements of RIT and informed about various programs undertaken by RIT for the overall development of faculty and students. She addressed to the audience about RITs achievements in the form of rankings worked out by various survey agencies. She informed about the new curriculum namely choice based curriculum systems (CBCS) being implemented from the year 2017-18. Many alumni expressed their gratitude to management, faculty and staff of RIT for being the cause for their success.

Departmental interaction and lab visit:

All alumni from Civil Engineering Department attended departmental alumni interaction at 3.00 pm in department meeting after central library visit. Total 15 alumni were present for alumni interaction. Dr. P.D. Kumbhar, Head, Civil Engineering Department welcomed all alumni. He also introduced alumni and faculty during department interaction.

During interaction Er. Shivaji Patil (Batch-1993), Government registered Contractor, Pune, discussed importance of Contracts and legal aspects for Civil engineering program. He also explained procedure for repair and rehabilitation of steel and R.C.C. bridges.

Er. Bharat Bari. (Batch-1993), Government Registered Contractor, Thane shared role and duties of project Management Consultant (PMC) in development projects. He also shared function of PMC in Construction Industry.

Dr. A. C. Attar, Dean, Q & A and alumni also interacted with all alumni. During his interaction he gave, information of project options offered provided by RIT in CBCS curriculum to all alumni. He also collected feedback of all alumni about CBCS curriculum offered by civil engineering department.

Prof. P.M. Mohite asked about the help in industrial training and visit to all alumni. All alumni assured to provide necessary support for industrial training and visit.

Alumni Get-together August 2018

Department of Mechanical Engineering

Department report of 'RIT alumni get-together 2018

All alumni visited all civil engineering dept. laboratories with faculty. Prof P. S. Patil, Prof. A. C. Attar, Dr H. S. Jadhav and Y. M. Patil requested all alumni to give support for sponsored project, Testing and consultancy activity and Industrial training. Mr. Y. M. Patil proposed vote of thanks . Following Alumni Mechanical Engineering Dept. (batch 1986 to 1993) were present for Alumni get-together.

- | | |
|-------------------------------|----------------------------------|
| 1. Mr. Vaibhav S Lokare | 2. Mr. Suresh Ganapati Shinde |
| 3. Mr. Rajesh Shrivastav | 4. Mr. Jayant Vishnu Khade |
| 5. Mr. Anand M Shete | 6. Mr. Dhairsheel Jayant More |
| 7. Mr. Rajendra P Bhosale | 8. Mr. Rajaram Dattatraya Karve |
| 9. Mr. Arun S Patil | 10. Mr. Chandrashekhar G Mane |
| 11. Mr. Sharad Kumar Mishra | 12. Mr. Rajendra Lxaman Doiphode |
| 13. Mr. Abhijit Suresh Shinde | 14. Dr. Sanjay Vashashta |
| 15. Mr. Jayant K Patil | 16. Mr. Mahesh V Pisal |

Visit was started with workshop laboratory; they saw lathe machine, universal milling, shaping machine, and surface grinder, center. less grinder, turret lathe, automat etc. Alumni have appreciated the commercial products (Benches, Stools, Tables, Battery Stand, Models, Grills and other furniture) made by F Y B Tech Students. After this they visited vibration laboratory, where they saw advanced FFT analyser and other testing facility of vibration engineering, At the end they visited Welding shop, which is equipped with TIG, MIG, Submerged arc welding, and Plasma arc welding.

After laboratory visit all alumni of Mechanical and Automobile department and, senior faculties were gathered together in Automobile department for further discussion. All alumni introduced themselves in brief and also added how "RIT has engraved path of their success". Alumni appreciated efforts taken by Dr. S. M. Sawant, Dr. S S Gawade and all alumni coordinator for making alumni get together function graceful. Dr. Sanjay Vashishta agreed to deliver

expert lecture on the topic "Gap between academic and industrial practice".

Alumni Get-together August 2018

Department of Automobile Engineering

Department report of 'RIT alumni get-together 2018

The following alumni from Auto. Engg Dept. attended the get-together on 11 August 2018

1. Mr. Vaibhav Lohakare
2. Mr. Patil Rajesh
3. Mr. Mahesh Hatti
4. Mr. Vivek Pandit
5. Mr. Anand Shete
6. Mr. Rakesh Saraf

All the alumni visited workshop and then subsequently various labs of the department. They met all the staff members and shared their memories in the labs. The alumni appreciated the developments in all the labs with modern facilities.

After visiting all the labs, alumni from automobile engineering department and mechanical engineering department gathered in ARDC lab for discussion.

They introduced themselves and had interaction with the head of departments of both the departments. Finally at the end of the get-together, all the alumni were presented a gift as a token of remembrance.

Alumni Interactions

Department of Electronics and Telecommunication

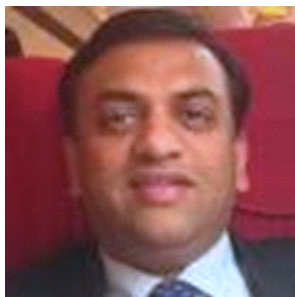

Our alumnus Dattatraya Yadav, B. E. Electronics (Batch -2002)

Client Service Manager at SITA United Arab Emirates, delivered an expert lecture on 'Expectations from corporate world' to T. Y., Final Year B. Tech and M. Tech Students on 30th August 2018. He shared his experience and boosted the moral of the students by focusing on key points such as attitude, Communicational skill, logical thinking and behavior, body language etc.

Rahul Patil , B. E. Electronics (Batch -2005)

Assistant Professor, Shivnagar Vidya Prasarak Mandal's, College Of Engineering, Malegaon (Bk) addressed Third year B. Tech Students on " Scope of Electronics" on 3rd September, 2018.

Makarand Kramit, Delivery Lead at Tata Consultancy Services Pune Area, India. B. E. Electronics (Batch -1997), He visited the dept. on 14th Sept. 2018 and interacted with the students, to prepare for interview. He highlighted the qualities which are checked by the interviewer Date: 14th September 2018.

Alumni Interactions

Department of Mechanical Engineering

Guest Lecture of Alumni at Mechanical Engineering department

Mr. J.V.S.S.S.S Prasad, Alumni of RIT, 1994 batch, had gave a visit to RIT on 3rd October 2018. Mr. Prasad sir shared a few moments with the S. Y. B. Tech (Mech.) Students. Wherein he told the students about his journey from being a Graduate in Mechanical Engineering to working in an IT company in the United States. He also quoted that his mantra for his success was "Either You Win or You Learn", he clearly mentioned there's no defeat or loss in what you do. He acquainted the

students with the current scenario of the market and gave a few tips on how the students could be competent enough to face their line of graduates. He finally gave a few words of motivation and concluded his talk.

Report on Expert Lecture through alumni network

One of our renowned alumni Mr. Deepak S Patil (Project Leader, Siemens Limited, Pune) from batch 2004 visited our institute on 14/09/2018. He delivered an expert lecture on topic "Software industry and Mechanical engineering" to S Y B Tech students. During his speech he talked on- Role mechanical engineering and software industry, preparation of interview. Students were very excited about his carrier graph and his achievements.

Alumni Interactions

Department of Information Technology

A 3-days Workshop on “Data Structures using Python” under INFOTSAV 3.0

Our alumni Mr. Saurabh Thoke (2014 batch), Senior Software Engineer, INCEDO pvt. ltd., Pune conducted a 3-days workshop on "Data Structures using PYTHON" on 1-2 and 7th September, 2018 for S.Y and T. Y B. Tech. students.

The following contents were covered during the workshop:

1. Applications of python in real world
2. Python study from job perspective
3. Python Standard Library/python language reference
4. PEP8 standard(intermezzo), function annotations dock string, Python data structures

On behalf of IT department, we expressed our gratitude to Mr. Saurabh Thoke for guiding our students and providing them hands-on using PYTHON programming language.

Department of Automobile Engineering

KHYMERA 2K18

A two days national level technical symposium – **KHYMERA 2k18** was organised by Automobile Engineering Department on 7th and 8th Sept., 2018. The chief guest for the opening ceremony of the symposium was our alumni Mr. Anand N. More, Deputy Engineer, Water Resources Department, Govt. of Maharashtra. He guided the students about the importance of engineering education and also the need to have good

engineers in the society. He appreciated the efforts taken by the students for organising the events. He visited the Auto Expo and was very happy to see the hard work put in by the students.
